

Tynecastle High School
Science Faculty

Top Tips to support your child to be successful in Advanced Higher Chemistry

Useful websites:

- Scholar- all students have passwords for this
<http://courses.scholar.hw.ac.uk/vle/scholar/login.jsp>
- All class and home learning materials are posted onto OneNote in iPads via the app or website
- All students have been registered for the Royal Society of Chemistry's ChemNet support service: www.rsc.org/chemnet
- www.evans2chemweb.co.uk
username: tynecastle
password: wizzbang

Further information can be found on the Chemistry page of the school website
<http://tynecastlehighschool.org.uk/>

Supported Study

- Held every Monday lunchtime in T011. A chance to get extra help with any area of the course or home learning tasks.

Assessment type and frequency

- There are 3 units of study. Each unit contains Key Areas that are internally assessed. Students must achieve over 50% combined for all Key Areas for each unit as well as Problem Solving questions.
- Students must complete an externally marked Investigation.
- There will be a prelim in January 2016 and the exam is externally marked
