Dear Parent / Carer

## **SENIOR PHASE TRACKING REPORTS**

At Tynecastle we believe that our young people achieve their very best when they are supported by home and school working in partnership.

Following consultation with parents, students and staff, we will this session produce six tracking reports for all senior phase students (S4, 5 and 6).

Over the first few weeks of term teachers have, in discussion with students, agreed aspirational targets for each subject area. For National 5, Higher and Advanced Higher courses these targets will be expressed as grades A, B or C. For National 4 courses, targets will be expressed as 'P' for Pass. Please note that these targets are set to indicate aspirations in relation to SQA results which will be published in August 2018.

Tracking reports also advise 'Next Steps for Improvement' (expressed in codes which are explained in our key). It is recommended that you and your child together review this advice, and agree next targets and actions. If your child has 'Off Track' subjects, Support for Pupils staff will be in touch with you.

Information about the courses being studied by your child can be found on the Faculty pages of our school website, which can be accessed using this link:  
<http://tynecastlehighschool.org.uk/faculties/>

When the second of our six tracking reports is published, further explanatory information will be made available.

In our new look reports, information about your child's attendance can be viewed on the front page. Also included in this package is a Merit/Demerit report, which lets you know about any 'positives' or 'negatives' which have been part of your child's recent school experience.
