In S3 **English, Mathematics, French, core Physical Education (PE), Personal and Social Education (PSE) and Religious and Moral Education (RME)** are core subjects studied by all S3 students.

**Literacy, Numeracy and Health & Wellbeing** are embedded across all curricular areas.

In addition to the above each student will select 5 subjects from below.

- 1) Tick **1** subject in **each** yellow box.
- 2) Tick **1** subject in the green box.
- 3) Place an **R** next to **1 more subject in the green box** as a reserve.

**Note** – Every effort will be made to give students their first 5 choices. However, this may not always be possible due to classes being over or under subscribed.
