Top 10 UK Universities for Art & Design 2017

The Complete University Guide's 2017 subject league tables rank institutions by Entry Standards, Student Satisfaction, Research Quality and Intensity and Graduate Prospects.

Art & Design is a highly valued aspect of society. For many, it allows them to convey feelings which are not otherwise easily expressed. Aesthetic pleasure is seen as priorities to a lot of people, and so studying the techniques and methods which allow such expression is not only an investment in your future, but also a potentially enriching exercise. For those with an arty side, here is a countdown of the best institutions for Art & Design in the UK.

6. University of Edinburgh

The University of Edinburgh may have dropped one place since last year, but still holds a solid position. Firm Entry Requirements make this a highly specialised and elite institution, with notable facilities and an array of teaching techniques, whether it is one-to-one tutorials or seminars.
