Advice Notes:

1. Please note that, in addition to the subjects above, it is our policy that in all but exceptional circumstances students will also study one period of PE, one period of PSE and in session 2020-21 we are introducing Key Adult Time in addition to our Tutor Group and Assembly programme.
2. New S5/6 students should select from every column unless they are studying 3 x Advanced Highers
3. Please highlight or circle your choice (of subject and level) in each column.
4. Please note that a subject from Columns E and G should be selected only if a student plans to take **seven courses** (i.e. no Highers or Advanced Highers).
5. Courses will only run if they are selected by sufficient numbers of students.
6. Are there any coursing challenges you wish to bring to our attention?

Half Courses

- If taking one a mix of Highers, Nationals and NPAs, you must also select a Half Course from the same National/NPA column.
- Students may select no more than one 'Study' option.

Completed forms should be returned to Support for Pupils teachers as soon as possible please, and no later than Wednesday 11 March
