This week we are excited to launch Learning @ Home through Microsoft Teams.

11th May – 12th May

Monday & Tuesday

The first 2 days will be dedicated to orientating the Microsoft Team platform by

- Completing the “Teams at Tynecastle” accessed through the website
- Joining each subject team (the link is in your school email)
- Completing a mini-task for each subject

13th May – 15th May

Wednesday, Thursday & Friday

The rest of the week will be for:

- Completing a full “lesson” (approximately 60mins long) for each subject.

If we can help in any way, contact admin@tynecastle.edin.sch.uk

Thank you,

Tynecastle High School
