This week we are excited to launch Learning @ Home through Microsoft Teams.

11th May – 12th May

Monday & Tuesday

The first 2 days will be dedicated to

- Personalising your Timetable according to your subject choices (see next page)
- Completing the “Teams at Tynecastle” accessed through the website
- Joining each subject Team (the link is in your school email)
- Completing a “lesson” for each subject

13th May – 15th May

Wednesday, Thursday & Friday

The rest of the week will be for completing the lessons (approximately 60mins long) for all eight subject choices according to the timetable.

If we can help in any way, contact admin@tynecastle.edin.sch.uk

Thank you,

Tynecastle High School

The course choice for learning next session has already been completed for the current S2s. Your child should have a copy of their subject choices. If they do not or need a reminder, please contact their guidance teacher by email.

The **bold** headings within the timetable correspond to the subject chosen from the list beneath.

- All students have to take English and Mathematics.
- All students choose one option from under each heading.

The timetable is designed so that each subject will be worked on every two days.

<p>Expressive</p> <ul style="list-style-type: none"> • Art & Design • Drama • Music Performance • Music Technology • PE • PE (Dance) 	<p>Modern Language</p> <ul style="list-style-type: none"> • French • Spanish 	<p>Science with a focus on ...</p> <ul style="list-style-type: none"> • Biology • Chemistry • Environmental Science • Physics
