

Dear S1 Parent/Carer,

I am getting in touch to let you know that due to circumstances out with our control our Parents/Carers Evening on Thursday 29 October will have to be postponed. This is due to technical issues which have been experienced within the city using the new online video format. It would appear that these issues have now been solved but there is insufficient time for robust testing prior to Thursday and we do not want to be in a position where we cannot guarantee a positive experience for all of our families.

We will look at possible alternative dates and be back in touch as soon as possible.

I do hope that this has not caused you too much inconvenience or disappointment.

Yours sincerely,

Hazel Kinnear
Head teacher
