

Dear Parent/Carer,

I am getting in touch regarding our new look Parents' Evenings on Tuesday 10 and Wednesday 18 November. As you know this will be the first time we have used this online video system. It has been trialled by other schools across the country and in City of Edinburgh but it would be fair to say that there have been issues. However, that being said, it seems to be definitely more positive than negative and also the best option open to schools just now.

I am asking that you be patient with us and wanted you to know also that we will review the process with parents/carers and staff once both evenings have been completed. This review will help us decide whether we can improve the offer and also whether we need to explore other options. If you would like to provide feedback please send it to TYN-Admin Account Admin@Tynecastle.edin.sch.uk.

Please do book your appointments if you have not already done so. Appointments can be booked until 12.00pm on Tuesday 10 and Wednesday 18 respectively. If you are having any difficulties our school office will be very happy to help. Do also remember to log on nice and early on the evening.

I am looking forward to this new way of working together.

Yours sincerely,
