Dear Parents/Carers,

It was lovely to see so many of you at our Parent/Carer Council last night. Having an online platform has really boosted our numbers and it is always a real pleasure to engage with new families.

One of the items I covered in my Head Teacher's Update was Two-Way Video capability. This functionality is being turned on for the school to enable us to best support our students when a Blended Learning approach is required. This does not mean that all staff will use this function or that it would be suitable for all lessons. However, it does give us an additional option which will allow the sharing of screen, content or presentation.

I would really appreciate if you could read the attached documents and ask your son/daughter to do so too. We will also share this through Key Adult.

If you have any questions please do not hesitate to contact me.

Yours sincerely,

Hazel Kinnear

Head Teacher
