Dear Parent/Carer,

S1 Parents' night

I am writing with a bit of an update following last night's Parents' Evening. We are currently evaluating the evening and would really appreciate any feedback. If you are able to provide this then please email it to admin@tynecastle.edin.sch.uk .

As you know this was a trial of a new system and it would appear that there are still issues with both the product and the capacity across the city. Where possible teachers sent emails or made telephone calls while trying to engage with parents/carers through the video call system. Unfortunately, once the evening is over we are unable to ask them to repeat this since all the time allocated has been used.

I know how much our regular tracking reports are appreciated and we will make a decision about a way forward for Parents' Nights once all the feedback has been collated.

As always, I appreciate your support as we try to find solutions to the many issues which have been raised during this pandemic.

Yours sincerely,

Hazel Kinnear
