Dear Parent/Carer,

Digital Showcase: Wednesday 7th September 6:30pm-7:30pm at Tynecastle High School

We are delighted to invite you to our Digital Showcase Event. This is the chance to engage with some of the high-quality learning opportunities that your young people experience at Tynecastle.

You will hear from teachers about our vision for Learning and Teaching and our current students about the impact digital technology has on their learning experiences.

You will also be able to visit learning environments to see learning and teaching in action and will find out where to access resources to support your young person in using digital technology to enhance their learning.

Please register your interest using this [Form](#) to help us plan for this event.

We look forward to welcoming you.

Yours faithfully,

Samantha Wallace
